www.waterspotdetail.com

**Save gas and time! Water Spot brings the detail shop to you:** Detailing done on the spot. If you've never had your vehicle cleaned before, or even if you have a cherished show car, Water Spot is right for you! Most of our services can be performed right in your driveway or garage - all we need from you is an electrical outlet. And if you have a special request, simple repair, upgrade, or modification for your vehicle, just ask! The Water Spot trailer is fully equipped with hand tools and air tools.
